**ELECTION AND AMENDMENT A**

Sir:

In response to the Restriction Requirement of June 25, 2002, Applicant elects to prosecute Group I: Claims 1-37, drawn to a device, in the above-identified application. Applicant respectfully submits that Claims 61-68 and 76-77 also belong to this group, and Applicant also elects these claims.

The Examiner also issued a species restriction. Applicant elects the species of Group I: Claims 1-37, 61-68 and 76-77.

Applicant is making this election and canceling the non-elected claims without prejudice to later filing a divisional application on the non-elected claims and species.
